Commitment: With my signature below, I am agreeing that the information I provide below is accurate and true. I am pledging to participate in UCFS Healthcare's *Caring in Action Giving Redefined*, and I am making a personal commitment to contribute \$400 each calendar year (\$200 biannually) to UCFS Healthcare. I agree to donate at each meeting to the mission-focused program selected by the group's majority vote. If I am unable to attend a meeting, I still commit to donating, respecting the decision of those in attendance. I agree to submit my check, or pay online, no later than a week before the scheduled meeting date. I acknowledge that if my payment is not received prior to the meeting, I will not be permitted to cast a vote. I also acknowledge that photographs and videos taken at events and meetings may include my image and may be used in promotional materials for the *Caring in Action Giving Redefined* and UCFS Healthcare.

I understand my personal contact information is strictly confidential and I understand it will not be shared or distributed to an outside third party without my expressed consent. If UCFS Healthcare chooses to publish a Membership Directory, I agree that my contact information may be included in that directory.

Purpose: To galvanize UCFS supporters to become actively involved in furthering the overarching vision and mission of UCFS Healthcare through targeted funding of mission-critical or innovative projects.

How it works:

- Anyone can become a member by committing to attend two gatherings a year and contribute \$200 at each meeting toward funding one of four programs presented by UCFS staff at the meeting.
- Membership fees are due two weeks prior to the meeting date. Members who have not paid their dues prior to the meeting will be asked to refrain from voting.
- Staff, clients, Board members, community partners, members of the public are all invited to become members.
- The only requirements for membership are to commit to writing a check for \$200 twice a year and attend two 1 hour meetings annually.
- Members will hear brief presentations about four programs that are Board approved and part of our strategic plan, members vote at the end of the meeting to direct funding toward one of the programs.
- The majority vote will win and all members must commit to respecting the decision of the group.
- Meetings will be limited to an hour to respect the busy schedules of members.
- Members who cannot attend the meeting and have paid their membership fees may email Pam Kinder at pkinder@ucfs.org prior by 12:00 on the day of the meeting so their vote can be counted.
