

CONNECTICUT STRENGTHENING FAMILIES TOGETHER

at United Community And Family Services
Norwich, CT

ARE YOU:

- ✓ 18 or older?
- ✓ Pregnant or expecting a child, or parenting a child under 6?
- ✓ Curious about how substance use treatment might help you?
- ✓ Living in New London County?

If you answered yes to all of the questions above, we can help!

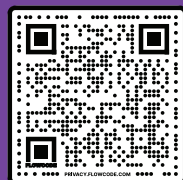

CT Strengthening Families Together will work with you to create a customized plan with the types of treatment and support services to help you the most so you can be the best parent/caregiver for your child! Participants must be pregnant, or an adult caregiver (18+) who has a child under 6 years old, living in New London County and planning to stay in the area for 9 months or more.

All program participants will receive services that meet their needs related to:

- Substance use therapies
- Medication Assisted Treatment (MAT)/Medication for Opioid Use Disorder (MOUD)
- Mental Health Therapies
- Mental Health Medications
- Family Conflict
- Parenting Support
- Health Care (including dental, OB/GYN, and primary care)
- Recovery Support

Find out how CT Strengthening Families Together can help you and your family.
