UCFS Healthcare's 2026 Year in Review

Posted on November 16, 2026

Change Starts at the Table.

Whether at the exam table, the conference table, or the table where we gather to share a meal, many conversations — and ultimately change — start at the table. With these authentic moments in mind, we chose the theme for the 2026 Annual Impact Report.

Thanks to the commitment, passion, and generosity of spirit of our employees and community, we welcomed many "to the table," and we changed many lives as a result.

Please take a moment to review and celebrate all that we accomplished in our most recent fiscal year.
